1/2	Trousers / sweatpants	1/2	Plastic bag for wet clothes	Form /tea etc	Packet of biscuits / bag of fruit
3 pairs	socks	1	Sun block (SPF 30 Min)	1	Packed lunch
1	Waterproof jacket		Toilet gear Soap Roll on/stick deodorant (not spray please) Toothbrush Toothpaste		Medication as per individuals needs (Must be named)
3 pair	underwear	1	Roll on Insect repellent (no spray please)	Bedding is provided by the camp. If students want an extra blanket or pillow they can bring this also.	
1	Thermal top (or similar)		Daypack		
2 pairs	Sneakers shoes	1	Refillable drink bottle		

Pencil cases etc. will be taken from school. Students need to hand these in to their teacher the school day immediately prior to their camp to ensure it is taken. Student will not be going to classes on the morning they depart.

Please note all electronic items including cameras are brought at the child's risk. Teachers are not responsible for looking after these while on the camp, and cabins can't be locked. As many of the activities take place away from the cabins we strongly advise that items such as mobile phones, iPods, tablets and games are not brought to camp and that students take great care with cameras. If deemed necessary teachers will collect devices from students to be returned at the completion of the camp.

Please ensure that all equipment brought to camp is named to make identification of lost items easier. Please note that any lost property from the camps will be brought back to school, but will only be kept for one week following the completion of the camp.

On the first day of camp students are required to bring a packed lunch from home.
