

VISION

To always challenge the status quo, engaging and inspiring our students to achieve to their highest potential at SWIS and beyond

STUDENTS

Have a positive attitude and THINK BIG to be the best that you can be

Be an inquiring learner, thinking creatively to develop knowledge and understanding of your world

Engage in your learning and take responsibility for making good choices

Step out of your intellectual, emotional, physical and spiritual comfort zones to experience the diverse opportunities at SWIS

- Student Voice
- Diversity and cultural connectedness

TEACHERS

Be an inspirational leader, igniting in others the desire to dream big and succeed

Apply the inquiry model and innovate to maximise learning, extending the achievement of our students

Know and understand our students' individual educational and cultural needs through building strong, respectful relationships

Set yourself, and achieve, aspirational goals to improve your professional practice, individually and collectively

OUR FOUNDATIONS

- National Standards
- Safe, respectful environment
- Modern learning environment
- E-learning

COMMUNITY

Take pride in and support SWIS to be the school of choice for the families and whanau of our community

Take learning beyond our school walls, making education a continuous experience in daily life

Engage with SWIS to support our bi-cultural and multi-cultural responsibilities, to build a connected learning community

Challenge and support your school to become a leader in intermediate education

- Treaty of Waitangi
- Board of Trustees
- Kautmatua and community elders
- Parent Association
- National administration guidelines
- Wider community
