3. OUR SCHOOL DAY

Each morning you will start your school day at 8.45am in your homeroom with a roll call and by listening to the daily notices, which tell you about special events taking place and meetings about activities you can sign up for.

Each day you will be taught in your Homeroom with your Homeroom teacher, which means you get to know each other really well.

With your Homeroom teacher, you will study:

- English
- Mathematics
- Social Studies
- Health

Throughout the week your Homeroom class will also go to specialist classrooms for Semi Specialisation Subjects (Semi-spec) taught by teachers whose strengths and passions lie in these areas:

- Science
- Physical Education (P.E.)
- Te Reo & Aotearoa NZ History studies
- Technology subjects including Hard Materials, Digital Technology, Food Technology, Textiles
- Arts subjects including Music, Visual Arts, Film, Drama, Philosophy

Other classes in your week include Enrichment Programmes. You will choose from a range of sports, languages and other subjects that you are interested in or passionate about. These sessions run on Monday and Friday afternoons.

There are two breaks a day - morning tea and a longer lunch break. Often sports practices or group meetings take place during the lunch break.

At the end of the day, you will return to your homeroom.

The bell rings at 3pm and you are free to leave school for the day.

You must attend 100% of your education programme.
